

POST PROTECTORS

Should you need them Twinfix can provide you with protective padding for your canopy posts.

Filled with high-density foam the polyester outer is coated with a flexible plasticised PVC to both sides making them waterproof and easy to keep clean. Post protectors come in a range of bright and cheerful colours and are 1.5 metres high.

Applied with strong Velcro fasteners, protectors can be quickly and easily removed should you wish to take them inside overnight or during holidays.

Price each: from £108.00 - £150.00 + VAT, (dependant on thickness of posts)

Colours available: red, blue, yellow, dark green, light green, light grey, dark grey, white and black
